MESSAGE

It gives me a great pleasure to know that the Dhamma Dipa International Buddhist University (DDIBU), Sabroom, South Tripura is going to launch Prospectus of the University.

I hope that DDIBU shall make a transformational impact on students by inculcating moral values and providing opportunities to sharpen their leadership qualities and skills to achieve their goals.

I am optimistic that the University will impart excellent education by instilling morals and ethical values in young minds. I am buoyant that the DDIBU shall provide qualitative and value-based education to the students by offering all educational and research facilities.

I convey my felicitations and best wishes to all the Faculties, Members and Students associated with this University and wish them grand success in their all endeavours.

MESSAGE

It gives me immense pleasure to learn that the Dhamma Dipa International Buddhist University (DDIBU), Sabroom, South Tripura, is bringing out its University Prospectus.

Education is the foundation upon which the progress and prosperity of a nation rest. Institutions like DDIBU play a vital role in nurturing young minds with knowledge, discipline, and moral values rooted in the rich heritage of our country.

I am confident that the University, through its academic programmes and initiatives, will continue to promote quality and value-based education and contribute meaningfully to the intellectual and skill development of students.

I sincerely appreciate the efforts of the University in creating an environment conducive to learning, research, and character building. I extend my best wishes to the faculties, staff and students of DDIBU for their continued success and excellence in the pursuit of education and human development.

ABOUT OUR CHANCELLOR

The Ven. Dr. Dhammapiya was born at Hazachari on 15th June 1971 in Tripura, India. This young charismatic monk was religious minded from his early childhood and was determined to lead a monastic life. He grew up with a soft heart but is full of love and compassion. This drew him to live in a monastic Institution when he learned all the tenants of spiritual awakening and was finally ordained on the 6th of December 1989.

After completing his basic school education he left for Bombay for higher education. Before he proceeded to the commercial capital of the Country he toured the places visiting Assam, Sikkim, Bhutan, Nepal, Arunachal Pradesh and Aurangabad with Senior Buddhist monks and religious scholars. During this time he had detailed analytical discussions and attended discussions and seminars on different aspects of life with them. This brought about a spiritual awakening in his life. He graduated with a Bachelor Degree in Philosophy from Bombay's Wilson College in 1995 and then went on to the University of Hyderabad and secured 1st class 1st in his Master Degree in Philosophy. He was also awarded a Ph.D degree from the University of Bombay in 2001. After which he had the Honour and Privilege to Visit tour Buddhist Institutions in for flung areas outside our country like Myanmar (Burma), Thailand, Sri Lanka and other South East Asian Countries giving exposing him to a wider audience.

During his stay in the city of Hyderabad local people made several requests to establish a Buddhist Monastery there. Here he initiated a project to set up a Buddhist cultural complex in the City. Presently, it is in progress and taken care of by the Ven. Dr. Khemachara Bhikkhu, the younger brother of Guruji. After returning to his native place, many people including renowned official of his tribe and officials and ministers of the state facilitated him and requested the Honorable Guruji to remain back and do something for the poor disadvantaged community in Tripura. His love and compassion which knew no bounds for the underprivileged tribal's and other backward community instilled development and with this came on upward change of the community and society. With his overflowing love and compassion he began a school project. The Dhamma Dipa School for the children of disadvantaged tribal's and other backward communities. He founded the Bahujana Hitaya Education Trust, a non-profit charitable association to run the school. The Government of Tripura has also recruited him as an Assistant Professor and Principal of the Government Degree College at Sabroom, South Tripura. Besides afore mentioned description he is also the Chairman of Bahujana Hitaya Education Trust. As the Chairman, he has dedicated his life for the cause of Serving Humanity and is a Spiritual Guide and religious leader for the masses of his society and the people he has come in contact well.

Some of the eminent personalities of the highest order have met him, in his humble abode at the school premises. The Ven. Dr. Ashin Nyanissara the Chief Monk of Myanmar, Chancellor of SITAGU International Buddhist Academy. His Holiness the Dalai Lama, Spiritual leader of the Tibetan exile. The Governor of Tripura, Lt. Gen. K.M.Seth, N. Suhacya the Governor of Tripura, Ven. Dr. Phra Dhammamollee, Ecclesiastical Governor, Surin Province, Thailand, Mr. Ryuzo Kikuchi-Council General of Japan, Kolkata, Sri B.K.Handick, Union Minister, Govt. Of India, Sri Tulsi Das, Chief Secretary, Government of Tripura, Sri Jitendra Choudhary, Minister of Rural Development, Industry and Forest, Sri Anil Sarkar. Hon'ble Minister of Higher Education, Govt. Of Tripura.

CHANCELLOR'S MESSAGE

All the aspirants are always heartily welcome to the Dhamma Dipa International Buddhist University. We are extremely delighted to have you as students or as the research scholars of this newly established University. Since its inception in 2022, the university has been committed towards building a community of perpetual talents who can achieve what they look forward as per their respective ambitious visionary approaches.

Starting from the small group with broad vision, we have grown as a massive community with thousands of students studying in the University every year.

The university is first of its kind to cater to Buddhist philosophy in India which is offering Buddhist education along with the other courses, educational programs and the research programs in various disciplines and that are enabling the students as well as the research scholars through grabbing Our primary aim is to get recognition throughout Indian regions as the best educational as well as the research environment provider by offering the world-class the modern education parallel with the moral and social principles of survival. education and research platform, facilities, amenities, through latest technologies, intricately weaving the Buddhist philosophy. Our ultimate goal without any doubt is to achieve the accolade in the educational arena around the globe in a systematic manner through our consistent productive, qualitative and quantitative efforts.

As lord Buddha has rightly said,
"Education is the best friend. An educated person is respected everywhere. Education beats the beauty and the youth."

I have joined Dhamma Dipa International Buddhist University with a lot ambitions to make this university stand a class a part in standard and excellences as well. It gives me immense pleasure to see that the University is striving towards the goal by providing world-class learning as well as the research and innovative opportunities for over all development of the incumbents.

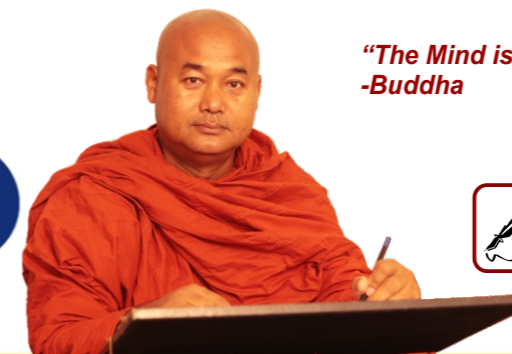

My foremost vision is to make this University a center of excellence, for the purpose which it is established, by sprinkling the fragrance of happiness and peace of mind and satisfaction through catering to the Buddhist wisdom to each and every person connected with the university. We are also planning to launch skill-oriented learning by introducing some career-oriented programs. We aim to build a strong asset of the society, who shall not only be well-educated individuals but shall undoubtedly possess some moral values, who shall always lead with the innovative approaches and visions and shall serve the country more efficiently and profoundly.

With the dedicated efforts of our faculty members, I am pretty much sure that the students of Dhamma Dipa International Buddhist University, Sabroom, South Tripura will impart the education, mentor and guide in such way that the student will definitely be the leader and the game changer in the near future.

Similarly, I hope research scholars shall pursue and proceed towards ultimate destination in their respective Doctoral research programs utilizing the modern technology and transforming research methodology under the progressive and efficient mentor ships of their corresponding research supervisors.

Warm wishes for all the students and the research scholars!! A Bright future awaits us all!!

*"The Mind is everything; what you think you become."
-Buddha*

 Ven. Dr. Dhammapiya
Chancellor

PRO CHANCELLOR'S MESSAGE

I am honored and privileged to be entrusted by the revered Venerable Chancellor Dr. Dhammapiya to serve as the Pro-Chancellor of Dhamma Dipa International Buddhist University, with the goal of creating a globally accredited center of excellence and fostering sustainable livelihoods, initially within our home state and subsequently in less developed markets worldwide. Our commitment is to provide higher education that empowers young minds to be confident, self-reliant, and dynamic in their professional lives.

We have developed a unique model in collaboration with industry, integrating skill training and apprenticeships to directly benefit under privileged and ambitious youth in our country. We are dedicated to conducting all programs in compliance with the National Credit Framework (NCF) and the National Education Policy 2020 (NEP-2020), thereby creating an educational ecosystem conducive to generating employment opportunities and fostering self-employment in the technological world.

Today's educational ecosystem must be industry and self-employment-centric. DDIBU has established a platform to meet these objectives. The youth of the North-Eastern states, and subsequently, society at large, will benefit in numerous ways. Our Industry Integrated Skill Development Training and Apprenticeships (ISTA) model is designed to serve the needs of individuals worldwide. Through this model, candidates can obtain vocational certificates, diplomas, and degrees. The industry provides stipends to trainees, along with practical exposure. ISTA supports candidates financially, provides practical training, and instills confidence at every level, ensuring that trainees are prepared for industry relevance.

We also operate other skill development models in collaboration with the government, leveraging funding, CSR initiatives, flexible memoranda, the National Apprenticeship Promotion Scheme (NAPS), the National Council for Vocational Education and Training (NCVET), the National Skill Development Corporation (NSDC), the National Apprenticeship Training Scheme (NATS), and more. We stand ready to support you in becoming employable or self-employable in any capacity.

We wish you all the best and encourage you to choose DDIBU for a bright future and Prosperous Professional and Personal life.

Dr. Sanjay Chauhan
Pro- Chancellor

VICE CHAIRMAN MESSAGE

Dear Esteemed Students,

It fills me with immense joy to extend a warm welcome to you all as Vice Chairman of Dhamma Dipa International Buddhist University. It is an honor to be part of an institution dedicated to serving the student community.

At our university, we offer a diverse range of qualitative education programs spanning MA in Buddhist Studies, MBA, MA in Arts, Humanities, and Social Sciences, LLB and various Allied Healthcare courses. Our commitment lies in providing world-class education to nurture your academic and professional growth.

As Vice Chairman, I assure you of our unwavering dedication to fostering academic excellence and upholding international standards in education. We are here to support you in realizing your aspirations, conquering challenges, and succeeding in life.

Our curriculum is meticulously designed to equip you with the skills and knowledge needed to excel in your chosen field. Through interactive sessions, seminars, resume building, mock interviews, and job-oriented training, we aim to empower you with practical expertise and value-based education.

Communication is key, and we prioritize honing your communicative abilities through comprehensive training covering reading, writing, listening, speaking, and conversational skills. Our esteemed faculty, comprised of experienced professionals, is committed to nurturing your intellect and shaping your future.

As you embark on this journey with us, rest assured that we are here to guide you every step of the way. From admissions to accommodations, we strive to provide comprehensive assistance to ensure your success.

I am confident that Dhamma Dipa International Buddhist University will provide you with the conducive environment and resources needed to achieve wisdom and excellence in life.

Equip yourself for greatness, and join us at Dhamma Dipa International Buddhist University—where your journey to the "big leagues" begins.

Warm regards

Mr. Manoj Yadav
Vice Chairman

VICE CHAIRMAN MESSAGE

CEO MESSAGE

Dear Students,

It is with great pleasure that I assume the role of Vice Chairman at Dhamma Dipa International Buddhist University, dedicated to serving the student community. I extend a warm welcome to each of you, and I am excited to embark on this journey of academic and personal growth together.

As you join our university, I encourage you to envision and strive towards your goals for better education and career development. Dhamma Dipa International Buddhist University offers a diverse range of qualitative education across various disciplines, including MA in Buddhist Studies, MBA, MA in Arts, Humanities, and Social Sciences, Law, Agriculture, Pharmacy and other Allied Healthcare courses.

As Vice Chairman, I am committed to delivering world-class education to our students, adhering to academic excellence and international standards in the field of education. Our university aims to empower you to overcome your fears, excel in your careers, and thrive in life.

We are dedicated to nurturing expertise in your chosen fields by providing a value-based, qualitative, and globally designed curriculum. Our mission is to guide you towards becoming successful, career-oriented individuals, while also dispelling utopian thinking among parents and children alike.

At Dhamma Dipa International Buddhist University, we prioritize the development of communicative abilities through participatory group discussions, seminars, resume preparation, and mock interviews. Additionally, we offer job-oriented, value-based, and skill-based training to equip you for the professional world.

We emphasize comprehensive communication training, covering reading, writing, listening, speaking, and conversation skills, supplemented with appropriate illustrations. Moreover, we are dedicated to providing well-qualified, experienced, and dedicated faculty members who are committed to nurturing your minds and guiding you towards success.

In the final semester of each course, we plan to conduct campus selections to facilitate career opportunities for our students. I trust that this prospectus will provide comprehensive guidance and counseling regarding our courses, admissions, accommodations, and other related matters. I am confident that Dhamma Dipa International Buddhist University will offer excellent facilities and support to help you achieve your ultimate goal of wisdom in life. Prepare yourself to enter the "big leagues" of education and study at Dhamma Dipa International Buddhist University.

Ven. Dr. Khemachara Bhakkhu
Vice Chairman

It is a moment of pride to address the graduating students, faculty members, and all stakeholders of Dhamma Dipa International Buddhist University on this significant academic occasion.

Dhamma Dipa International Buddhist University was established with the vision of creating an institution that harmonises academic excellence with ethical consciousness and social responsibility. Rooted in the universal values of Buddhist philosophy and guided by contemporary educational standards, the University seeks to nurture individuals who are intellectually competent, morally grounded, and socially committed.

As you complete an important phase of your academic journey, you carry forward not only the knowledge acquired in classrooms and laboratories, but also the values of discipline, compassion, and critical inquiry that define this institution. The University's multidisciplinary and professional programs have been structured to prepare you for the realities of a rapidly changing world, while encouraging lifelong learning and responsible citizenship.

The progress of the University, from its inception to the present, has been made possible through the collective efforts of dedicated faculty, committed administrators, and motivated students. With the development of our permanent campus underway and the continuous strengthening of academic and research initiatives, the University remains focused on long-term institutional growth and national contribution.

I congratulate all graduating students and extend my best wishes for your future endeavours. May you apply your knowledge with wisdom, integrity, and a sense of service to society.

Mr Deepak Kumar
B.E(CSE), M.Tech (CSE), Ph.D(Persuing), IIIT Ranchi
Chief Executive Officer
Dhamma Dipa International Buddhist University

VICE CHANCELLOR

It is an honour for me to be the part of India's first Buddhist-run University a Vice-Chancellor. I am enchanted to take this opportunity to welcome all the aspirants arriving from every nooks and corners of the World, joining the University for the Under Graduate (UG) programs, the Post-Graduate (PG) programs, other Certificate programs as well as Research programs. Most of the students have come away from their family to pursue their respective dream courses, all such students should feel that they are shifting only from one home to another one here.

Dhamma Dipa International Buddhist University is the first Buddhist-run University in India with an aspiration to develop an academic center inspired by teachings and wisdom of Lord Buddha. The University is marching forward retaining its visionary approach to provide a world-class education which shall lead innovative approaches and uniting all for the peace for world.

The university is aspired to operate and proceed forward as an international hub for the higher education learning with Lord Buddha's principles in the North-Eastern region. University is fully equipped with the dedicated, extremely qualified and highly experienced human resources who are expected to provide good environment and knowledge to the students in all the courses in the local languages as well as in the English.

Different Students are being enrolled here to study as per their interest namely, the Under-Graduate (UG) programs, Post-Graduate (PG) programs, Diploma programs, PG Diploma Programs, Certificate courses and Ph. D. Degree programs in various disciplines. We aim to realize a better future, rooted with the ancient wisdom.

We are committed to facilitate the students with all necessary educational and research atmosphere for all the subjects through the combination of Indian and Buddhist Philosophy. I assure all stakeholders on behalf of the University family that we are always with you to fulfill your ambitions of life under varied social, economical and cultural environment.

**LISTENING TO EACH OTHER
UNDERSTANDING EACH OTHER
LOVING EACH OTHER
ACCEPTING THE REALITIES OF LIFE
STOP DAY DREAMING** are five things to reach the Goal

I wish all of you our hearty wishes for your future endeavors and success in life!!

 **Prof. M.P. Narasimha Raju**
Vice Chancellor

REGISTRAR'S MESSAGE

We cannot always build the future for our youth but we can build our youth for the future. - Franklin D Roosevelt

It's a matter of great honour & pleasure to welcome you all as a REGISTRAR of Dhamma Dipa International Buddhist University with wide range of Academic Programs including Undergraduate (UG), Graduate (PG), Certificate Programs & Ph.D across various Disciplines.

"THE FUTURE BELONGS TO THOSE WHO BELIEVE IN THE CAPABILITIES OF YOUNG MINDS."

Dhamma Dipa International Buddhist University stands as the first University in India run by BUDDHIST MISSION dedicated to the dissemination of Versatile Education through Teachings, Researches and the offering of Professional Courses. Our Educational Programs and Researches endeavors are led by experienced and highly qualified faculty members, supported by a talented Administrative Team, who are deeply committed to uphold the principles of Lord Buddha wherein we inculcate World Class Education with the profound philosophy of Lord Buddha that guides the young generation in making informed decisions throughout their Life Journey.

Being University that caters to the needs of students globally a homely environment is created for the Learners. Recognizing the importance of knowledge-based development in contemporary society, we aim to contribute to the creation of a knowledge-based society by providing comprehensive Academic programs. To support this vision, we have developed an Eco-friendly Educational Campus equipped with modern facilities, amenities, research and development opportunities, and conducive working environments, ensuring consistent growth and advancement.

In a rapidly changing World, Universities face new challenges and opportunities. Our approach to addressing these challenges is rooted in continuous innovation across all our endeavors. We prioritize an integrated approach with a focus on value addition, which we believe is essential for success in today's complex environment.

Aligned with the ethical standards espoused by Lord Buddha, we are committed in directing our efforts towards achieving our Goals. I invite you to experience the outstanding learning culture at DDIBU to be a Torch Bearer for the new generation. I extend my heartfelt gratitude to our Academic staff, Administrators, Students, Researchers, and local supporting staff for their dedication, kindness, and empathy. I eagerly anticipate collaborating with all the members of our University Community, Faculty, Officers, Supporting staff, Students, and Researchers soon.

Best wishes & Blessings!

Deevi Sai Babu
Registrar

ABOUT DDIBU

Dhamma Dipa International Buddhist University (DDIBU), nestled in the heart of the Sabroom Sub-Division in South Tripura District, stands as a radiant beacon of enlightenment and compassion. Established under the Bahujana Hitaya Education Trust, DDIBU embodies the profound ethos of Buddhism, transcending conventional educational paradigms to nurture not only the mind but also the spirit. Rooted in the sacred teachings of Buddhism, DDIBU serves as a modern-day heir to the illustrious legacy of ancient centers of learning like Nalanda, breathing new life into the timeless values of wisdom, compassion, and harmony. As a nexus between South Asia and the ASEAN countries, DDIBU fosters cultural exchange and dialogue, uniting scholars and practitioners from diverse backgrounds in a shared pursuit of knowledge and understanding. With its commitment to academic excellence, cross-cultural engagement, and universal values, DDIBU illuminates minds, uplifts spirits, and inspires hearts, ushering in an era of enlightenment and harmony for all who walk its hallowed halls.

OUR VISION

DDIBU represents the convergence of four fundamental principles:

Dhamma Dipa: Guiding our path with the illuminating light of Dhamma, we uphold the cardinal principles of compassion, wisdom, and ethical conduct.

International: With a global outlook, we foster a diverse and inclusive environment, transcending geographical boundaries to cultivate cross-cultural understanding and collaboration.

Buddhist: Drawing inspiration from the teachings of the Buddha, we embrace a universal world view grounded in compassion, mindfulness, and interconnectedness.

University: As a center of excellence in education, we aspire to impart the highest levels of knowledge, wisdom, and skill, empowering individuals to lead fulfilling lives and contribute meaningfully to the world.

OUR MISSION

Establishing a world-class Buddhist university equipped with state-of-the-art infrastructure and renowned faculty.

Creating an intellectual and cultural hub that facilitates the exchange of ideas and promotes universal values of peace, compassion, and harmony.

Spearheading research and education in Buddhist economics and sustainable development to address global challenges such as climate change, poverty, and in equality.

Preserving and promoting the rich Buddhist heritage of India's northeastern region, attracting visitors and scholars from around the world.

Providing students with exposure to diverse cultures, traditions, and skills, fostering holistic development and nurturing future leaders.

Empowering youth through life skills education and harnessing their energy for societal transformation and progress.

Why DDIBU?

Welcome to Dhamma Dipa International Buddhist University (DDIBU), a prestigious institution dedicated to the advancement of Buddhist education and scholarship. Here, we delve into the profound teachings of the Buddha to cultivate wisdom, compassion, and holistic development among our students. Let us explore why DDIBU stands out as a beacon of Buddhist learning and academic excellence:

Rooted in Tradition, Focused on Modernity: DDIBU harmoniously blends traditional Buddhist teachings with contemporary educational methodologies. Our curriculum integrates ancient wisdom with modern knowledge, providing students with a comprehensive understanding of Buddhist philosophy, ethics, and practices relevant to today's world.

Global Learning Community: As an international university, DDIBU attracts students and scholars from diverse cultural backgrounds. Our vibrant community fosters cross-cultural dialogue and collaboration, enriching the learning experience and promoting global understanding and harmony.

Experienced Faculty: At DDIBU, students learn from distinguished scholars and practitioners with expertise in various aspects of Buddhist studies. Our faculty members are dedicated to nurturing intellectual curiosity and guiding students on their journey of personal and academic growth.

Innovative Research: DDIBU is committed to advancing the frontiers of Buddhist research through interdisciplinary inquiry and innovative scholarship. Our research centers and institutes facilitate cutting-edge exploration into Buddhist thought, history, and contemporary issues, contributing to the enrichment of global knowledge.

Practical Application of Buddhist Principles: Beyond theoretical learning, DDIBU emphasizes the practical application of Buddhist principles in everyday life. Through meditation, mindfulness practices, and community engagement, students develop inner peace, ethical conduct, and social responsibility, preparing them to be compassionate leaders and contributors to society.

Holistic Education: DDIBU is dedicated to nurturing the holistic development of students, encompassing intellectual, emotional, and spiritual dimensions. Our comprehensive educational approach fosters critical thinking, emotional intelligence, and moral integrity, empowering students to lead meaningful and fulfilling lives.

Engagement with the Global Buddhist Community: DDIBU actively engages with the global Buddhist community through partnerships, conferences, and outreach initiatives. By fostering connections with Buddhist institutions worldwide, we promote mutual learning, collaboration, and the dissemination of Buddhist teachings for the benefit of all beings.

At DDIBU, we believe that education is not merely about acquiring knowledge but also about cultivating wisdom, compassion, an inner transformation. Join us on a transformative journey of self-discovery and enlightenment at Dhamma Dipa International Buddhist University.

CAMPUS LIFE

EXTRACURRICULAR ACTIVITIES

STUDENT TESTIMONIALS

"I am thrilled to be pursuing my Ph.D in Buddhist Studies at Dhamma Dipa International Buddhist University. The Curriculum is meticulously designed, and the faculty is exceptionally knowledgeable. This university truly baidges ancient wisdom with modern academia."

Anupritha Ashok Shety
Ph.D Research Scholar

"I am proud to be part of DDIBU pharmacy program. The emphasis on ethical pharmacy practices rooted in Buddhist principles sets this institution apart. I look forward to contributing positively to healthcare after Graduation."

Sukhina Chakma
B.Pharm Student

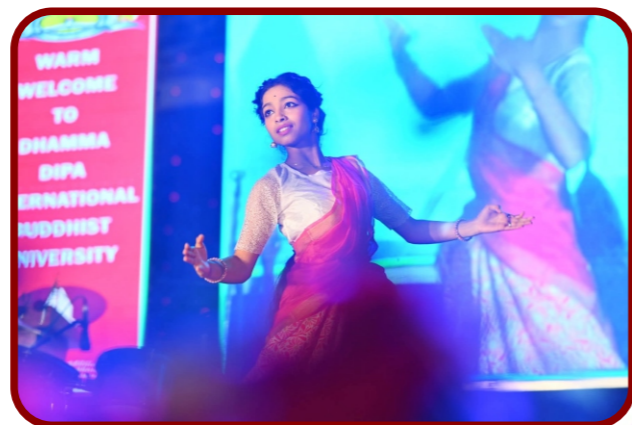

"Choosing DDIBU for my management studies was one of the best decisions of my life. The courses are comprehensive, focusing not only on theories but also on practical applications. The faculty's guidance has been instrumental in shaping my leadership skill."

Abhijit Debnath
MBA Student

FRESHERS MEET

PLACEMENT CELL

Dhamma Dipa International Buddhist University – Placement Cell:

1. The Placement Cell supports students in shaping a strong career foundation.
2. We guide learners toward the right professional pathways.
3. Skill-development sessions prepare students for industry demands.

INDUSTRIAL COLLABORATION: AN OVERVIEW

"We extend a heartfelt invitation to industries to forge powerful partnerships in the realm of skill training, fueled by the transformative force of the 'Work Integrated Learning Program' (W.I.L.P). Our noble endeavor seeks to empower the next generation by equipping them with the indispensable skills demanded by a multitude of manufacturing and service sector industries. With our pioneering 'learn and earn' paradigm, intertwining theoretical mastery with immersive on-the-job training, we aspire to catalyze their ascent towards boundless opportunities and unparalleled success. Additionally, our program offers support in regulatory compliance, joint certificate courses, fosters strong industrial relationships, and provides cost-effectiveness benefits. For further industrial support and inquiries, please contact us at support@ddibu.in."

- Strategic alliances with top Indian industries, prioritizing student support through financial aid, internship opportunities, and curriculum tailored to meet market demands.
- Dedicated advocacy for student-centric governmental support, securing funding and policies that address students' financial, academic, and career needs.
- Unwavering commitment to academic excellence, delivering personalized learning experiences, mentorship programs, and support services to meet the diverse needs of students.
- Innovative work-integrated learning initiatives, designed to fulfill students' aspirations for practical skills development, professional networking, and career readiness.
- State-of-the-art student portal, intuitively designed to provide easy access to resources, academic tools, career guidance, and peer support, enhancing the overall student experience.
- Unique emphasis on holistic development, mindfulness practices, and cultural enrichment, nurturing students' well-being, personal growth, and sense of belonging within the Buddhist education community.
- Collaborate with global organizations to provide holistic student support, including financial aid, internships, academic excellence, and cultural enrichment, within the framework of Buddhist education.
- Provide academic placement services in national and global organizations.
- Discover a professional internship opportunity designed for academic students, providing hands-on experience and valuable skills development in your field.
